

# **Public Meeting *Notice!***

## **Important Workshop on Water Supply**

**PURPOSE:** To receive further public input on a new water supply agreement between the principal cities and water districts that contract for water from the Sonoma County Water Agency. This workshop is the fourth of seven scheduled for this purpose and will feature a discussion involving the public and the water contractors. The topic will be the “Framework Issues” that the water contractors, after considering all of the public input to date, have proposed for consideration in negotiating the new agreement.

**WHEN:** Thursday May 23, 2002, 7:00 PM to 9:00 PM

**WHERE:** Margaret Todd Senior Center  
1560 Hill Rd., Novato, CA 94947  
Directions:

- TAKE De Long Ave. Exit (main downtown Novato Exit).
- Turn RIGHT onto De Long Ave (if coming from the North), LEFT (if coming from South).
- De Long transitions into Diablo Ave. Continue on Diablo.
- Turn LEFT onto Hill Rd. and proceed to #1560.

**AGENDA:**

7:00 – 7:10 Introduction by Moderator Professor Tom Jacobson, Sonoma State University.  
7:10 – 8:50 Dialog, discussion and comment gathering on Framework Issues.  
8:50 – 9:00 Wrap-up and information about what happens next.

**BEFORE THE WORKSHOP, IT IS SUGGESTED YOU PREPARE BY READING THE FOLLOWING INFORMATION:**

*From Workshop No. 1:*

- Background Information for New Water Supply Agreement

*From Workshop No. 2:*

- 56 Possible Items to Consider in Drafting New Agreement Recommended by Consultant \*

*From Workshop No. 3:*

- Report on Workshop No. 3 and Summary of Public Comments To Date and 3 attachments, particularly Attach. C: Changes/Additions to 56 Items Recommended by Public Participants \*

*Material for Workshop No. 4:*
